Dear Sir,

Subject : Request for Return of HP MFP Printer LaserJet Pro MFP M227fdw Serial No VNH4Y13343

With reference to the subject matter, it is submitted that undersigned requested for provision of a printer for dedicated use of Finance and Accounting function. However, the said printer has been programmed as a network printer. Being a network printer it is causing disturbance in disposal of task related to Finance & Accounting. Further, as a network printing it will be resulting in pile up of rough papers as human normally do not take the rough page with them, rather leave it on printer.

In this regard, it is humbly request to that the said printer may please be returned to the stocks and replaced with the existing network printer (HP Laserjet Pro M12w) in the Specialist Area.

Regards
